Mar de Frades provides with unique, exclusive and unexpected experiences that serve as inspiration to seven renowned Spanish personalities. Seven videos that Mar de Frades shows through its website <http://www.mardefrades.es/inesperadamente-unico>

Life is full of moments that intersect in time. Just as the road is built step by step, life is done moment by moment. Life is composed of a succession of moments that we are collecting, that we remember just closing our eyes, which make us sigh, smile, cry ... Because, life has to be enjoyed!

Unique things become extraordinary when it is also unexpected. Small details are the ones that do the great things, as Mar de Frades does every vintage when creating this Albariño wine.

Basketball player Felipe Reyes, actor Miguel Ángel Muñoz, chef Paco Pérez, designer Juan Duyos, architect Alberto Marcos, sculptor Víctor Ochoa and illustrator Jorge Arévalo narrate those unexpected and unique moments that have been recorded in their memory, sharing this experiences and thoughts.

The seven guests open their soul and heart thanks to this elegant and sophisticated wine that take us to unexpected and unique experiences. It is at that moment when the unique things become extraordinary.
